

DAY'S END

Focus on good design and clever construction

A Panoply of Pergolas

by Laurie Elden

A western red cedar pergola by Creative Outdoor Wood Products, Fenton, Mich., tops stonework that was subbed out by the homeowner.

DENNIS SCHAEFFER

JASON SCHELL

Decorative purlins cast shade on built-in benches in this western red cedar pergola by Custom Outdoor Structures, Dayton, Ohio.

DENNIS SCHAEFFER

Creative Outdoor Wood Products included a retractable shade system and white fiberglass columns for a distinctive look, above.

Custom sheet metal caps on the framing help prevent rot in this design by Kirk Design and Construction, Corvallis, Ore.
